

a nonresident not a citizen of the United States provided that, under section 2501(a)(1) and § 25.2511-3, the transfer is subject to the gift tax.

(e) *Miscellaneous provisions.* Only individuals are required to file returns and not trusts, estates, partnerships, or corporations. Duplicate copies of the return are not required to be filed. See §§ 25.6075-1 and 25.6091-1 for the time and place for filing the gift tax return. For delinquency penalties for failure to file or pay the tax, see section 6651 and § 301.6651-1 of this chapter (Procedure and Administration Regulations). For criminal penalties for failure to file a return and filing a false or fraudulent return, see sections 7203, 7206, and 7207.

(f) *Return required even if no tax due.* The return is required even though, because of the deduction authorized by section 2522 (charitable deduction) or the unified credit under section 2505, no tax may be payable on the transfer.

(g) *Deceased donor.* If the donor dies before filing his return, the executor or administrator of his estate shall file the return. If the donor becomes legally incompetent before filing his return, his guardian or committee shall file the return.

(h) *Ratification of return.* The return shall not be made by an agent unless by reason of illness, absence, or nonresidence, the person liable for the return is unable to make it within the time prescribed. Mere convenience is not sufficient reason for authorizing an agent to make the return. If by reason of illness, absence or nonresidence, a return is made by an agent, the return must be ratified by the donor or other person liable for its filing within a reasonable time after such person becomes able to do so. If the return filed by the agent is not so ratified, it will not be considered the return required by the statute. Supplemental data may be submitted at the time of ratification. The ratification may be in the form of a statement, executed under the penalties of perjury and filed with the internal revenue officer with whom the return was filed, showing specifically that the return made by the agent has been carefully examined and that the person signing ratifies the return as the donor's. If a return is signed by an agent, a statement fully explaining the

inability of the donor must accompany the return.

#### § 25.6019-2 Returns required in case of consent under section 2513.

Except as otherwise provided in this section, the provisions of § 25.6019-1 (other than paragraph (d) of § 25.6019-1) apply with respect to the filing of a gift tax return or returns in the case of a husband and wife who consent (see § 25.2513-1) to the application of section 2513. If both spouses are (without regard to the provisions of section 2513) required under the provisions of § 25.6019-1 to file returns, returns must be filed by both spouses. If only one of the consenting spouses is (without regard to the provisions of section 2513) required under § 25.6019-1 to file a return, a return must be filed by that spouse. In the latter case if, after giving effect to the provisions of section 2513, the other spouse is considered to have made a gift not excluded from the total amount of such other spouse's gifts for the taxable year by reason of section 2503 (b) or (e) (relating, respectively, to certain gifts of \$10,000 per donee and the exclusion for certain educational or medical expenses), a return must also be filed by such other spouse. Thus, if during a calendar year beginning after December 31, 1981, the first spouse made a gift of \$18,000 to a child (the gift not being either a future interest in property or an amount excluded under section 2503(e)) and the other spouse made no gifts, only the first spouse is required to file a return for that calendar year. However, if the other spouse had made a gift in excess of \$2,000 to the same child during the same calendar year or if the gift made by the first spouse had amounted to \$21,000, each spouse would be required to file a return if the consent is signified as provided in section 2513.

#### § 25.6019-3 Contents of return.

(a) *In general.* The return must set forth each gift made during the calendar year (or calendar quarter with respect to gifts made after December

31, 1970, and before January 1, 1982) that under sections 2511 through 2515 is to be included in computing taxable gifts; the deductions claimed and allowable under sections 2521 through 2524; and the taxable gifts made for each of the preceding reporting periods. (See § 25.2504-1.) In addition the return shall set forth the fair market value of all gifts not made in money, including gifts resulting from sales and exchanges of property made for less than full and adequate consideration in money or money's worth, giving, as of the date of the sale or exchange, both the fair market value of the property sold or exchanged and the fair market value of the consideration received by the donor. If a donor contends that his retained power over property renders the gift incomplete (see § 25.2511-2) and hence not subject to tax as of the calendar quarter or calendar year of the initial transfer, the transaction should be disclosed in the return for the calendar quarter or calendar year of the initial transfer and evidence showing all relevant facts, including a copy of the instrument of transfer, shall be submitted with the return. The instructions printed on the return should be carefully followed. A certified or verified copy of each document required by the instructions printed on the return form shall be filed with the return. Any additional documents the donor may desire to submit may be submitted with the return.

(b) *Disclosure of transfers coming within provisions of section 2516.* Section 2516 provides that certain transfers of property pursuant to written property settlements between husband and wife are deemed to be transfers for full and adequate consideration in money or money's worth if divorce occurs within 2 years. In any case where a husband and wife enter into a written agreement of the type contemplated by section 2516 and the final decree of divorce is not granted on or before the due date for the filing of a gift tax return for the calendar year (or calendar quarter with respect to periods beginning after December 31, 1970, and ending before January 1, 1982) in which the agreement became effective (see § 25.6075-1), then, except to the extent § 25.6019-1 provides otherwise, the transfer must be dis-

closed by the transferor upon a gift tax return filed for the calendar year (or calendar quarter) in which the agreement becomes effective, and a copy of the agreement must be attached to the return. In addition, a certified copy of the final divorce decree shall be furnished the internal revenue officer with whom the return was filed not later than 60 days after the divorce is granted. Pending receipt of evidence that the final decree of divorce has been granted (but in no event for a period of more than 2 years from the effective date of the agreement), the transfer will tentatively be treated as made for a full and adequate consideration in money or money's worth.

#### § 25.6019-4 Description of property listed on return.

The properties comprising the gifts made during the calendar year (or calendar quarter with respect to gifts made after December 31, 1970, and before January 1, 1982) must be listed on the return and described in a manner that they may be readily identified. Thus, there should be given for each parcel of real estate a legal description, its area, a short statement of the character of any improvements, and, if located in a city, the name of the street and number. Description of bonds shall include the number transferred, principal amount, name of obligor, date of maturity, rate of interest, date or dates on which interest is payable, series number where there is more than one issue, and the principal exchange upon which listed, or the principal business office of the obligor, if unlisted. Description of stocks shall include number of shares, whether common or preferred, and, if preferred, what issue thereof, par value, quotation at which returned, exact name of corporation, and, if the stock is unlisted, the location of the principal business office, the State in which incorporated and the date of incorporation, or if the stock is listed, the principal exchange upon which sold. Description of notes shall include name of maker, date on which given, date of maturity, amount of principal,
